

# Provider Portal Quick Guide

**MedTech Auto Login** – You can now easily log in to Provider Portal through MedTech 32:

Note that this will only work if you use your unique MedTech staff code provided to Compass.

Here's the home page of the Provider Portal, showing some of the key features:

- **IPIF Indicators** – your practice performance, at a glance, including graphs for High Needs, Māori and Pacific
- **Upcoming CPDs** – Book CPDs for you or your team
- **Search** – you can now search for anything in the Provider Portal
- **Your Profile** – you can edit your details here or change your password. If you're a Practice Manager, this is also where you find **"My Practice"** for editing Practice and Staff details
- **Featured News** – Latest news from Compass Health
- **Featured Documents** – Important documents from Compass Health
- **Feedback** – Easy feedback to the Compass Health Practice Liaison team
